Preamble

We believe that the First Amendment of the Constitution of the United States of America, and the Universal Declaration of Human Rights guarantees our members the rights of free speech, petition, assembly, and the right to gather for the lawful purpose of advising and helping one another in asserting our rights under international law, the Federal and State Constitutions and Statutes. IT IS HEREBY DECLARED that we are exercising our right of “freedom of association” as guaranteed by the 1st and 14th Amendments of the U.S. Constitution and equivalent provisions of the various State Constitutions, which are excepted out of the powers of general government. This means that our Association activities are restricted to the private domain only.

We proclaim the freedom to choose for ourselves the types of products, services, therapies, and self-help modalities that we think best. We encourage our members to perform their own research by studying different resources to prevent illness, diseases of our minds and bodies, and for achieving and maintaining optimum wellness. We proclaim and reserve the right to include health options that include but are not limited to cutting edge treatment modalities and therapies practiced or used by any types of healers or therapists or practitioners the world over whether traditional or nontraditional, conventional, or unconventional.

Specifically, the mission of The Association is to gather and support the Family of Light, on their divine assignments to serve our Heavenly Father, Mother Earth and humanity. As a Spiritual Order, we work with (and for) The Great Mother to gestate, birth, incubate and catalyze our members and their sacred work. The Mothership Alliance provides sanctuary, fellowship, group alchemy, tools, cooperative education, resources and the spiritual support necessary to bring the Great Work to fruition.

In addition we strive to assist changing existing life and health circumstances through teaching alternative health awareness, which enables members to improve their physical well-being and to provide members with the highest-level services and of research and the most effective modalities for prevention. The Association will recognize any person (irrespective of age, race, creed, gender, sexual orientation, or religion) who has been approved as a member and acts in accordance with these principles and policies as a member and will provide a medium through which its individual members may associate for actuating and bringing to fruition the purposes heretofore declared.
